

## Section 3 – External Auditor’s Report and Certificate 2023/24

In respect of

Oxspring Parish Council-SY0063

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2023/24

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 5 has been incorrectly completed. In the completion of the Annual Internal Audit Report and their detailed report, the internal auditor has reported that the risk assessment was not approved by Full Council during the year under review. The smaller authority has confirmed that the risk assessment was reviewed and approved during the year but that it was not minuted. There is therefore no evidence in the Minutes that this occurred. As a result, this Assertion should have been answered 'No'.

The AGAR was not accurately completed before submission for review. The smaller authority has confirmed that certain gifted assets have been included in the fixed asset register, and therefore Section 2, Box 9, at zero value. The Practitioners' Guide requires that gifted assets are valued at £1. The smaller authority has confirmed that the fixed asset register has now been amended to include these assets at a nominal value of £1 and so this will be correctly reported in Box 9 in the future. Please ensure that the prior year comparative is restated when completing next year's AGAR.

Other matters not affecting our opinion which we draw to the attention of the authority:

None
